

## CYP Insurance Scheme

Clubs for Young People (CYP) is pleased to announce that Lockton LLP has officially been appointed as the only approved insurance broker for their membership insurance scheme. Lockton will be making the scheme exclusively available to affiliated CYP members marketed as CYP Insurance.

As the Global Insurance Partner to SOCCEREX, Lockton understands sport and youth activities from a grass roots level. They bring unsurpassed levels of expertise, understanding, knowledge and commitment, recognising and meeting the needs of all types of clubs and projects across CYP's membership.

Helen Marshall, CYP's CEO, comments "Lockton is the world's largest privately owned independent insurance brokers and the signing of this long term agreement between our two organisations demonstrates the great strides CYP is making to ensure we can offer the best and most efficient services to our members."

A Lockton spokesperson stated "We are delighted to be the officially appointed brokers for CYP and are very excited by the launch of our new CYP insurance product. We are mindful in these challenging times that price is a huge factor. We have worked closely with Royal Sun Alliance to design and deliver an insurance product that will provide value and protection for CYP members now and in the future. We look forward to building a long standing relationship with CYP and its members over the coming years."

All constituent organisations and clubs will shortly be contacted to arrange renewal. In the meantime, for further details please visit CYP's website at
