

WE ARE RECRUITING FOR An Activity Officer

Overview

We're looking for someone energetic, enthusiastic, conscientious and committed to work with communities in Essex for the next 3 years to create more opportunities for young people.

With 3 years of funding for this post from the National Lottery Community Fund, we're looking for someone with the commitment and get-up-and-go attitude to increase and develop the participation of young people taking part in sport and activities through our affiliated club network, focusing on creating and delivering training, workshops, events & competitions that feature on the EBGC events calendar.

You'll use our Chelmsford office as a base to reach communities across Essex and you'll need your own car to get to clubs.

You'll need to be flexible – You'll be prepared to regularly work at evenings, occasional weekends and residential.

You'll need to be very approachable – you'll be working with lots of people, young and old, from all walks of life, in a variety of locations around the county.

You'll need to be self-motivated as you'll be heading out on your own to meet clubs, run sessions and engage with club volunteers and young people. You will be organising and supporting the delivery of various EBGC events.

You'll need to be a great communicator as you'll be part of a team of 20 working all over Essex to provide opportunities for young people, and they'll all want to work with you and apply your learning to their work.

You'll need to be excellent at keeping track of what you're doing – you'll be reporting regularly back to your team lead and also providing monitoring information for the National Lottery Community Fund.

You'll need to be creative – Each club is independent and individual, and one size doesn't fit all. You'll need to be adaptable and creative to ensure everyone can get involved.

You will be well supported – you will work closely with the Sports and Club Development Officers and be supported by the Club Development Lead with ongoing professional development opportunities.

You will have job security - the role is funded for 3 years as a fixed term contract from May 2019. We're looking for someone prepared to commit for that period.
