**Essex Boys & Girls Clubs need your support. Please act now.**

Plans are due to be considered that will determine whether a new Essex Boys & Girls Club building can be built in Thurrock.

Under the proposals, the applicant, MD Star Ltd would fully fund and build a new hub that would support young people in reaching their potential.

Please fill in the below and tell Thurrock Council why you support this exciting project and help us to make a difference. Please remember to include your postal address.

**What is Mardyke Park?**

A new low-carbon logistics hub that will provide over 700 jobs

A new roundabout on Ship Lane to prevent HGVs from accessing Aveley

A new boardwalk that will provide walking and cycle access along the Mardyke Valley

A new business and community hub that will also support the Essex Boys and Girls Club

Outdoor recreational facilities, including a dog adventure playground, outdoor gym equipment, cricket square and educational woodland walkway
